Mail Stop (M/S): Petitions

Sir:

Applicants supplement their e-filed petition to revive for unintentional abandonment filed this date with the attached photo that corresponds to Figure 1 as originally filed in 2004, and to Figure 1 (pdf) enclosed with the aforesaid petition. The Figure 1 attached is a print out of the pdf of Figure 1 that was used when e-filing the petition to revive for unintentional abandonment.

By way of explanation, Applicants endeavored to e-file the Figure 1 as a pdf in the petition, but unfortunately the image became degraded. The Figure 1 is fine in pdf form before e-filing but became degraded as confirmed by staff at the PTO Petitions branch this date in a telephone discussion. The courtesy of the staff is acknowledged with appreciation.

Applicants respectfully request the Notice of Abandonment and its cross reference to an earlier request for replacement Figure 1 both be rescinded inasmuch as the original Figure 1 filed in 2004 was acceptable for publication.

Otherwise, favorable decision on the petition to revive for unintentional abandonment filed May 25, 2010 is courteously solicited.

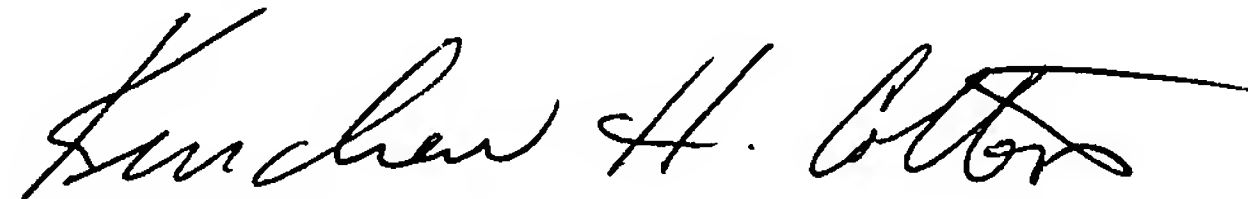

To the extent necessary during prosecution Applicants hereby authorize the Commissioner to charge any unintentionally omitted fee regarding the concurrently filed petition, and such fees as required to maintain pendency of the present application, including application processing, extension, extra claims, statutory disclaimer, issue, and publication fees, to Deposit Account No. 06-1135 regarding 7393/84118.

This paper and the attached Figure 1 are being mailed by postage pre-paid first class mail this 25th day of May 2010 addressed to:
